## Prayer for all the young people taking exams

Please pray for all the young people who are taking public exams between now and the end of June: Bella, Ben H, Miriam, Isabella, Jess, Hannah, Dan, Jasmine, Malachi, Sam, Kristina and Ben B. **ECO CHURCH**  
AN A ROCHA UK PROJECT

The natural world is something as Christians we have a responsibility to protect. We believe God created the universe and people should be caretakers of this wonderful planet.

If the natural environment is a particular interest and passion of yours, you may consider joining a group that could guide St Thomas' Church through the Eco Church Survey. We had just begun this venture a few years ago when the Covid pandemic stopped us in our tracks. By restarting the Eco Church Survey, we hope to take practical steps to help us care more for God's creation.

See John C to indicate your support and interest in this project.

we want to make this event a little bit more special by offering Face Painting and some games or activities for slightly older siblings. If you are able to do simple face painting or could come along and help us with some primary age children's activities, please speak to Jane B or one of the team.

## **Help Needed**

Can you lend a couple of hours and help clean and declutter the two kitchens at St Thomas? There are two dates over the summer we are planning to do this, **23<sup>rd</sup> July and 11<sup>th</sup> August**. Lyndsey W will be there **10am -2.00pm** on those days so any help during the day will be greatly appreciated. If you could bring your preferred cleaning products that would be fab. If you would like to help, please be in contact with Lyndsey W.

## **Site Incidents**

Unfortunately, there have been a small number of incidents on and around our site in recent months, and I wanted to make everyone aware so that we can continue to look after one another well. These incidents have been reported to the police and have included exposure and the discovery of drug paraphernalia. As our site, and the play area beyond, are public spaces used by many people, please do take care when you are there. We will continue to work closely with the police and to do all we can to keep the area as safe as possible. At the same time, we can each play our part by remaining watchful, reporting anything that causes concern, and helping to care for all members of our church family. Above all, we continue to pray for God's protection and blessing, that these buildings may remain a place of welcome, peace, and hope for all. With thanks, Simon P
